OUR VISION

We will provide a strong technological orientation across the whole curriculum which maximises individual potential and ensures that students of all ability levels are equipped to meet the challenges of education , work and life. We will create an environment in which every individual is cared for spiritually , morally , intellectually , physically , socially and emotionally.

OUR MISSION

New Era Senior Secondary School strives to provide a plethora of learning experiences which enrich the lives of students making them better individuals and responsible citizens committed to the ideals of equality and justice and inculcate in them a sense of patriotism and universal brotherhood.

President Speaks..

Dr. Devanshu J Patel

"The highest function of Education is to bring about an integrated individual who is capable of dealing with life as a whole."

- Krishnamurti

Education forms the foundation of any society. The thread of the growth of any society depends upon the quality of education that is imparted. Hence, schools play a pivotal role in moulding a nation's future by facilitating all round development to its future citizens. New Era Senior Secondary School has always been the torch bearer and pioneer in providing quality education that aims at holistic development of the students. At New Era, we believe in providing an inclusive environment that lays emphasis on intellectual and emotional growth of individual student.

The second edition of our biannual e-magazine 'Kaleidoscope' - is a celebration that showcases and applauds the phenomenal journey of our enthusiastic students, meticulous mentors and all the committed stakeholders. It also features the achievements of our students in academics and co-curricular disciplines, initiatives taken by the school during this session, and the awards conferred upon the students, teachers and school by different agencies for the spectacular achievements.

To cater to the demands of the new age, our faculties have been undertaking innovative and engaging pedagogies that enable the students to awaken their imagination, enhance their creativity, hone their critical thinking, and enable them to innovate and invent. In our constant pursuit for excellence, we have launched the Kalam Makers Space which gives a technology-blended learning environment and avant-garde infrastructure that give wings to an incredible creative experience to young minds. The lab, with advanced equipment and facilities, will also be accessed by nearby school and college students interested in entrepreneurship and ground-breaking research.

I commend the school and its faculty for their untiring efforts in imparting knowledge, skills and values to its learners. With the advent of the New Year, we look forward to new beginnings and experiences. I am sure, with cooperation of Parents, Teachers, Administration and Management, New Eraites will scale greater heights in all arenas in the forthcoming session.

Managing Trustee

Dr. Geetika Patel

In the words of Nelson Mandela, “education is the most powerful weapon which you can choose to change the world with” and I am more than delighted to see the many documented efforts of the young brilliant minds of New Era Senior School, who make a difference daily. As an educator, I am extremely delighted to be a part of the NESSS family that keeps making a difference and inspiring change in the society through their many achievements, events and activities. I am very proud of the efforts the students and teachers have put in and the milestones they have achieved here. The time, care, and imagination invested into this has created a great opportunity to shape the brightest minds of the future.

At New Era, we aim to create an intellectual and caring environment for the students to offer them an enriching and engaging educational experience. This magazine is a very beneficial initiative in bringing into spotlight all the milestones we are crossing and benchmarks we are setting each day. At the end of the day, this venture wouldn't have been possible without the efforts and contribution of the editorial team and I am immensely grateful and proud of them for curating such a beautiful and insightful edition. I hope that every page you turn and every achievement you read about will be an inspiration to work hard towards your dreams.

Managing Trustee

Dr. Parul Patel

"Education is the Key to Unlocking the World, a Passport to Freedom."

-Oprah Winfrey

I am a firm believer of the above-mentioned school of thought, hence our aim is to make education reach every section of the society. We stand up for the quality, affordability, and approachability of the whole education system. This issue of "Kaleidoscope" will give the readers an insight to the activities taken up by New Era leading to their all round development.

I feel elated to see that New Era stands by its vision and mission of creating self-reliant, and responsible citizens. We have a huge responsibility to empower the youth of tomorrow for their role in building a strong nation thus it is our objective to accentuate learning by synergy and collaboration, and develop a positive attitude towards life.

Every student at New Era is given a voice and avenue where they can express their knowledge and dream big and achieve big. It is also commendable to see the New Eraites getting trained for the competitive world to face the stiff competition, all thanks to the teaching learning pedagogy that caters to the ever-changing challenges both in their personal and professional spheres of life. It gives us a great sense of pride when we see our children touching the great heights in life without compromising the qualities of honesty, benevolence, empathy, tolerance, discipline, and respect for others. In a nutshell, we create good human beings with compassion in their hearts.

I am thankful to all the stake holders for the trust and faith that is bestowed upon us, and I take this opportunity to extend my best wishes to all the students, staff and parents in their future endeavors.

Managing Trustee

Dr. Komal Patel

"Education breeds Confidence. Confidence breeds hope. Hope breeds Peace."

- Confucius

At the onset, I take great pride in expressing my thoughts on this pre-eminent platform.

The world of the 21st century places enormous demands on our young people and we are committed to giving them a breadth of learning and the range of skills that they will need to take their place as the leaders of tomorrow. New Era is always buzzing with activities and this edition of "Kaleidoscope" covers most of our happenings but that is not all about

New Era, we have much more to offer to our students and our students have much more to showcase. In short NEW ERAITES are unstoppable when it comes to talent and creativity.

The school aims to create a youth-force that is resilient, confident, and goal oriented. We do not just aim for academic excellence but also prepare our students to be lifelong learners, to develop critical thinking, to have scientific temper, and be an achiever in all fields which make them a productive member for a global society. I applaud the staff who work tirelessly towards creating a culture of learning where students are free to express or share their interest in a variety of fields while developing their character as well. I feel proud to put on record that every teacher here explores the possibilities in every individual child, hone their skills and make them capable in pursuit of worthy goals in the service of the Nation and Humanity.

I would like to extend my heartfelt gratitude to each and everyone associated with us in making this journey worth remembering. I wish all the readers the very best of luck.

It gives immense pleasure to present this magazine to the readers. It is the culmination of the efforts of the teachers and students.

As my message, I would like to share a small story with you,

Once upon a time there was a sage called Vajashravas . He decided to perform a great sacrifice to obtain divine favour, in which he had to give away all that he had. He had a son by the name of Nachiketa who was still a boy but very pure in mind and heart. He saw that his father was giving away the lean and weak cows that were unable to give milk. He asked his father, " To whom will you give me?" Vajashravas did not give any reply. Nachiketa kept on pestering him. Vajashravas could not control his temper; he burst out saying to his own son, "I will give you to Yama, the God of Death."

Nachiketa followed the words of his father and insisted on going to Yama. Vajashravas realised his mistake, his greed and anger was responsible for his son to take such an action. When Nachiketa reached the kingdom of death, Yama was not present. None dared to admit Nachiketa. So he waited near the gate for three days and three nights without taking even a drop of water. When Yama returned and found Nachiketa at his doorstep he felt sad for keeping a Brahmin waiting for three days and three nights. Yama told Nachiketa, "Dear child, I have not done good by keeping you waiting for three days. So I request you to ask for three boons."

Nachiketa was very intelligent and he loved his father dearly, so he replied, "O Lord, let my father not be anxious about me, and let his anger against me vanish. When I go back to earth, let him recognize me and receive me back gladly." Yama had to grant him the boon and in this way Nachiketa escaped death and was able to return back home.

So children you must have understood what greed, anger and love can do to a person.

From the Principal's Desk...

Mrs. Leena Nair

I take this opportunity to wish all the readers a very happy new year. As is the legacy, our students have been performing well in all areas, mainly because we practise - Patience, perfection, and perseverance which according to me is the key to success. New Eraites never give up to difficult situations and problems. All of us have a lot of potential to make the impossible possible.

I feel elated to share with you the new addition to the NEW ERA family, we now have the KALAM MAKER SPACE an incubation centre equipped with advanced tech tools. The centre was inaugurated by the AIM Mission Director Dr. Chintan Vaishnav, this centre will give a boost to the innovations that take place at NEW ERA. This space will also be open to other schools and aspiring innovators to give wings to their ideas as well. NEW ERA also added one more feather in the cap by bagging the best school award for creativity, academics, parental engagement and career counselling.

As you scroll through the pages of this edition of Kaleidoscope, you will realize that our actions speak louder than the words.

The winning spree continues with our students leaving no stone unturned to show their academic prowess, innumerable achievements and of course after a gap of two years, we were able to host many events and activities which saw participation of the students in large numbers and well attended by the very enthusiastic parent community. Our teachers too are on the move, trying to keep abreast with the latest updates in education so as to match pace with the global trend.

I would like to extend my gratitude to all those who have offered their unconditional support for the well being of the school and I heartily wish that this year brings to all readers more strength and more dedication and pray that you are able to achieve all your goals with your matchless commitment and sincerity.

EXPRESSIONS

LET THE WINTER SKY WHISPER!

Silently lying close to my small world,
The eyes of mine enjoyed the gossip of those shimmering shivering stars.
In the joy amidst the melancholic darkness,
The soul of mine cherished the beauty of the glimmering moon.
Oh, I wonder those north shooting stars,
Twinkling in the darkest deepest blanket of the universe's eye;
Cheerless haze; Cheerful frosty; the blithesome shout of the coldest wind around.
For the crescent moon too painted its ray of ecstatic glitter in the freezing sky
It was a lonely bright hour,
And I smelled the rime
And I perceived the quiver of those small pines
No one around; Not a single sound
For a moment, it was just me and my winter sky up above.

A SUNSET

As I looked at the setting sun,
A young man said,
"Why do you like it, the setting sun,
If they tell you, all have their end?"
With a smile I looked back at him,
And said back to him,
"I like the sunset for its beauty,
For me another message is sent"
"All beautiful things, have painful ends,
But even at those ends,
You shall attain, dear one,
A beautiful view, like the orange sun,
Setting in the purple sky."
"Sunsets are not an end, young one,
They are a beginning,
To the wondrous moon,
And yet another sun, to set in another sky."

EXPRESSIONS

MAROONED IN THE CRADLE OF NATURE

Nature's wide and vast
It exists limitlessly everywhere
Few words are insufficient to cast
It's beauty which is so rare!

Five elements are present in nature
None greater none the better
Fire, water, earth, air
And space simply a barren lair!

High and mighty in the sky
Hangs the sun so hot and dry
Boils the water and makes vapours
For the sky to generate furs!

Then the clouds sing with pleasure
And cry till they eventually sigh
This restores the long lost treasure
In all the terrains which were heated dry!

The plants and trees standing high
Sway their leaves in the winds passing-by
The spiny grasses on the earth
Dance with the lovely breeze full of mirth!

Sheds happy tears the earth in space
For all it's worth in the pretty sun rays
Still the nature is a hopeless case
Can't be solved without the moon's phase!

The coolness of the moon's base
Revolves around the earth
Here and there it turns the sea waves
From its own berth!

The hills and mountains are no match
To speak no more of flowers and bees
It is endless, the nature is
Even the almighty cannot finish!

RIVERS

Rivers are the elixir of life
They provide fresh water,
To all the lives
Whether perennial or provisional
They need to be plenished
They are the vessels of minerals,
They are the chest of health,
The holy waters are all worth appreciation,
They are the sinews of this nation,
These rivers are meant to be.
They are the only source of water
To the oceans, to the seas.
Let's take a pledge,
To never let the rivers come to an edge
To never let the rivers
Come to an edge

A GLOW OF THE MIST

I saw the Sun, fade into the darkness of the night
I tried to capture the heavenly sunset but nothing
could compare to the view in my sight,
Men were at work and kids were flying kites
I could hear the birds, as they flew back home from a
height.

By the time I wrote these four lines,
The sun was gone, but it's brightness still lit up my day,
And the zephyr whispered, "Things will be okay."

Time flew by, when I turned my head to the other side, I
saw the Moon, smiling, as it entered my life.

EXPRESSIONS

THE MOON AND THE STARS

A silver ornament in sky
Twinkling down at me
Shining like a diamond
Smiling at me

Surrounding this gem
Are pieces of gold.
Spread across the dark sky
Which give some hope

The sky,
Is a blanket of stars
Like one's life
Is filled with scars

The stars watch us everyday
Every joy, every sin
They share it with the gem
Who is always keen

The moon follows us,
But we never understood
That it cares for us
Like a mother true

They shine bright upon us
Expressing their trust

Warming the hearts of those who cry
But always keeps itself locked up tight

The gems are always there for us
Trying to adjust
Trying to help
When we're in despair

They still shine bright
Smiling down at me
They gave me a wave
Telling me it's all okay.

SHADOWS WITHOUT SUN

As the smoke envelopes the Sun
The sky howls- No Sunlight;
The clouds digest acid a tonne
But none cares for the nature's plight.

The noxious water drizzles down the clouds
Alters the field, a venomous compound;
The crops go dry, abysmal wounds
But none realizes the nature's ill sound.

The penniless trees sob in an adverse fettle
Dreaming of life, begging for life;
Wilted leaves, oxygen goes downhill
But none acts for the nature's shadowy life.

The Earth is lost in a tragic ditch
Red hot, fractured, a scary one;
The grievous clouds trap the Earth
So come the shadows without the Sun.

REAL TRUTH OF LIFE

Life is when, you don't know the start
But you have to decide where to stop and restart

Life is where, dreams are a lie
The only truth is one day we will die

Life is in which, some moments we find
Puzzles to the brain and perplexing to the mind

There should be a time in life
When it should rain heavily
And eliminate from life all the ego and jealousy

There should be a time in life
When the sun should produce so much light
That the near shadows in our life
Come to our sight

All the Hurdles Like the colours on a chart
Leave their imprints and provide one's life his own
unique art

This is what we call LIFE
Filled with joyful and miserable moments SOMETIMES.

Words

Caged in my own thoughts
Looking for the unknown
Red flowing through the pen
As I bleed words on white.
Word after word I feel alright,
As I free myself
from this teenage mind.

Art

How great art is!
Which heals the broken,
Picks up the pieces of the
undone.
The beautiful language of
colours,
Comforts the disturbed
And disturbs the comfortable.

Imperfections

Look inside that mind,
Is a place yet to discover.
Look at those eyes,
Where a wild wind rumbles.
Look behind her smile,
Stays a dark blue night.
Look for the girl mistaken,
When you fall in love with her
imperfections

A BOOK REVIEW -

THE BOY IN THE STRIPED PYJAMAS JOHN BOYNE

**THE SUBJECT OF THE HOLOCAUST HAS
ALWAYS INTRIGUED ME, BEING ONE OF THE
MAIN REASONS WHY THIS BOOK HAS
IMPACTED ME GREATLY.**

The book narrates the tale of an uncanny friendship
between a Nazi officer's son and a Jewish child.

John Boyne's *The Boy in the Striped Pajamas* is an
incredible but heartbreaking book that I will never forget.
As the plot developed and impending disaster lurked on
the horizon, John Boyne did a fantastic job of capturing
the scene in such vivid detail and revealing the events in
such a way that I felt a continual emotional pull.

I think the author did a great job of perfectly contrasting
two striking themes—the first being the wickedness of the
Holocaust and the second being the innocence of a
child. I felt it was wonderful of Boyne to narrate the tale
from the viewpoint of a nine-year-old German child as
you experience the events of this abhorrent and
unimaginable time in history as a mere complicit
bystander.

Despite a few factual errors, the book is a true
masterpiece. The story of friendship, sacrifice, and the
utter ignorance of innocent minds to the cruel realities
will warm your heart. It is an absolute must-read!

EXPRESSIONS

I WISH I COULD BE LIKE YOU

Pulling my hair in frustration,
For not being able to solve a math equation.
With a pen, I stabbed the book in front of me,
That's when I saw a beautiful blossom tree.

What is it like, to be like you?
Providing everyone with a beautiful view.
Neither efforts to be perfect, nor any studies
Just living a perfect life with your flower
buddies.

You have a beautiful life, no insecurities,
Neither do you have any responsibilities?

I wish that I could be like you,
Looking beautiful with just some dew.

FREEDOM

The long struggles,
The big hurdles,
The bloodstream flowing,
The leaders frowning.
Oh! My India
You have the courage, oh yeah!
Listen to your mind
And stand for your right,
Step ahead and fight
No need to fright.
The hardships that we faced,
But the freedom movement made us exempted.
But now we are free birds
No need to curse,
Now the freedom is yours
Don't let India fall...

EXPRESSIONS

HIS GLORY

The Sun was asleep,
yet bright shone his glory;
His passion now untamed,
was temptation's worry.
Eyes with fury,
for ones who left him apart;
"The world will be mine"
Said every beat of his heart.
Morning was lazy,
not his hustle and time;
The devil on his shoulder,
was sold for a dime.
And now he condemns,
for to be heard by himself;
His commands to himself,
even move the deaf.
The words he spoke to himself,
are now heard clear and loud;
The whispers of his tears,
are being yelled at a crowd.
And now he sat,
on his majestic throne;
His days of darkness left behind,
now his eyes and glory shone.

TRADITIONS

It is certain that the cub would roar;
So would his progeny
The lioness would hunt;
with a shimmering gradience at her back
And the wild beast, though in myriads;
Scatter like sand released from hand
Trampling and forgetting their loved ones.

So does the sun rise and methodically set
And then the moon reaches its pinnacle;
Only to follow its predecessors suit
Never has these cycle stopped
Nor would the coming of monsoons, shedding
of leaves
Or evolution of life stop.

Here I say, the offspring of a mule isn't a horse
Nor can you get gold from iron ores;
Some traits keep on flowing through blood
Traditions they call it never change.

मेरा नाम शशांक तिवारी है और मैं **New Era Senior Secondary School** का विद्यार्थी हूँ। मेरे लिए ये गर्व की बात है कि मुझे वडोदरा के सबसे प्रसिद्ध विद्यालय के छात्र परिषद का नेतृत्व करने का मौका मिला। मैं आदरणीय डायरेक्टर मैडम, श्रीमती प्रियदर्शिनी केलकर, आदरणीय प्रिन्सिपल मैडम, श्रीमती लीना नायर, अध्यापक गण और विद्यार्थी गण के प्रति अपना आभार व्यक्त करता हूँ जिन्होंने मुझे मुख्य सचिव के पद के योग्य माना और यह अवसर दिया। छात्र परिषद का सचिव बनने पर मैंने बहुत कुछ सीखा जैसे सहयोग भावना, कार्यक्रम आयोजन करना, मंच को संबोधित करना, अनुशासित रहकर अनुशासन का पालन करवाना आदि। परंतु मुझे सबसे महत्वपूर्ण सीख यह मिली कि चाहे हम कितने भी ऊँचे पद पर क्यों न हो, हमें हमेशा विनम्र रहना चाहिए, सबका आदर सम्मान करना चाहिए, और अपना काम पूरी निष्ठा के साथ करना चाहिए। मैं विद्यालय परिवार आभारी हूँ, जिसने मुझे एक जिम्मेदार व्यक्ति बनाया। वर्ष २०२२-२३ का समय मेरे लिए हमेशा यादगार रहेगा।

बिजली का सदुपयोग

बिजली खूब बनाते।
और रोशनी करके घर को,
चम-चम-चम-चमकाते।

मिल, ऑफिस या सड़के, गलियाँ।
बिजली सबको प्यारी।
बिजली गुल तो रुक जाती है।
इस जीवन की गाड़ी।

जनसंख्या बढ़ने के कारण,
बोझ बढ़ रहा भारी।
एसी, कंप्यूटर, जी भी,
खाते बिजली सारी।

बिजली के ये साधन सीमित,
इसको समझो भाई।
आज अभी से इन्हें बचाओ,
चाहो अगर भलाई।

सूरज और हवा ये दोनों,
बिजली खूब बनाते।
इनसे अगर बनाते बिजली,
नहीं प्रदूषण होता।
धरती हरी-भरी रहती है,
कभी नहीं कुछ खोता।

सूरज और हवा से लेकर,
बिजली खूब बनाओ।
ये असीम बिजली के साधन,
अब इनको अपनाओ।

स्वस्थ दुनिया

स्वस्थ दुनिया है मेरी चाहत,
मिलावटी दुनिया बन गयी है आफत।
मेरी इच्छा है की सभी रहे स्वस्थ,
बीमारी से कोई कभी न हो अस्वस्थ।

सब्ज़ी, फल, अनाज और हर खाद्य पदार्थ रहे मिलावट से दूर,
सबके जीवन में छाए खिलखिलाहट का नूर।
कभी न आए किसी भी जीव को किसी बीमारी के कारण बुखार,
गंभीर बीमारियों का कोई न बने शिकार।

ऐसा स्वस्थ देश बन जाए,
कि डॉक्टरों को भी छुट्टी मिल जाए।
सभी जीव-जन्तु की आयु लंबी हो,
पैसों की कभी न कोई तंगी हो।

बीमारियों को भगाकर एक स्वस्थ दुनिया हो हमारी,
हँसते-खेलते बीत जाए ज़िंदगी सारी।

हास्य कविता

कोरोना अब कहे का रोना है ,
अब तो जी भर कर सोना है।
लॉकडाउन में बस कहते जाना है ,
खुद बाहर नहीं पर पेट को बाहर लाना है।
घर पर भी मास्क लगाना है ,
वर्ना व्यंजनों के फोटो देखकर मुंह में पानी आना है।
बच्चों को स्कूल नहीं जाना है ,
घर पर पूरा दिन आतंक मचाना है।
हर दिन नेट का डाटा उड़ाना है ,
और पूरा दिन आराम फरमाना है।
कोरोना ऐसा कलयुग लाया है ,
मैसेज ही आ सकता है पर मिलने न कोई आया है।
कोरोना ने सबको सात्विक बनाया है ,
रामायण और महाभारत का मनन करना सिखाया है।
इस बार ऐसा महीना आया है ,
जिसमें रविवार भी अपना आस्तित्व न बचा पाया है।

भारत देश

भारत देश सबसे प्यारा
अपने लिए है बहुत ही न्यारा
यहाँ होता है सुंदर सवेरा
रात का गहरा अँधेरा

अलग अलग धर्मों का मेल
भारत में है सारे खेल
सत्य, अहिंसा के हम हैं पुजारी
सारे बच्चे या हों नर-नारी

सारी नदियाँ यहाँ पूजी जाती
और सब के पाप धुलती जाती
नदियाँ हमारी माता कहलाई
ऐसा वेद पुराणों ने बतलाई

हिमालय है अपने देश का श्रृंगार
जिसकी महिमा अपरंपार
जिसकी ऊँची चोटी करे पुकार
चढ़के देखो एक बार

यही है भारत माँ की गाथा
जिसको हर दिल हरदम गाता

प्रकृति का संदेश

ऊँचे – ऊँचे पर्वत देते यह संदेश,
सिर उठाकर शीश उठाकर ।
पर्वत की तरह चट्टान की तरह,
तुम भी ऊँचे और मज़बूत बन जाओ ।

सागर कहते लह – लहराकर,
लहरों की गहराई जितना ।
मन में गहराई लाओ और,
बन जाओ सागर जितने गहरे ।
समझ रहे हो क्या कहती हैं,
यह प्रकृति की ठंडी – ठंडी हवा ।
स्पर्श करती है जब यह,
निर्मल हो जाता तन – मन ।

अम्बर कहता फैलो इतना,
ढक लो सारा संसार ।
पृथ्वी कहती धैर्य न छोड़ो,
चाहे जितना हो सिर पर भार ।

कहानी एक पौधे की

कर्नल अरुण प्रताप सिंह हिंदुस्तानी फौज में अफसर थे। फौज में से निवृत्ति के बाद वह अपने गाँव जा बसे। वह गाँव में सबकी मदद करते और बच्चों को जिंदगी में आगे बढ़ने के लिए प्रोत्साहित करते थे। गाँव में उनका बहुत बड़ा घर था और घर के पास एक सुंदर बगीचा था। कर्नल को खेती का बहुत शौक था। बगीचे में उन्होंने बहुत ही सुंदर पौधे लगाए, वसंत ऋतु में बगीचा सुंदर फल और फूलों से लहलहा उठा। हरे, लाल, गुलाबी, पीले, रंग बिरंगी फूलों से बगीचा बहुत सुंदर दिखने लगा। इन सब रंग- बिरंगे फूलों के पौधों के बीच एक नन्हा सा पौधा था जिसकी टहनियों पर कोई भी फूल ना खिला था। उस पौधे में सिर्फ हरे रंग के मोटे-मोटे से पत्ते थे और सफेद रंग के छोटे से अजीब से फूल लगे हुए थे। उस बगिया के सभी रंग- बिरंगे फूल इस बेचारे छोटे से पौधे का बड़ा मज़ाक उड़ाया करते थे, वह उसे कहते कि हम सब सुंदर पौधों के बीच यह बदसूरत सा पौधा पता नहीं कहाँ से आ गया है! वह छोटा सा पौधा बड़ा मायूस रहता। एक दिन थक हार के उसने कर्नल साहब से कहा कि, 'मैं आपके बगिया की सुंदरता पर एक काला धब्बा हूँ, आप मुझे बाहर निकाल दीजिए'। तब कर्नल साहब ने उस पौधे को समझाया कि सिर्फ बाहरी सुंदरता ही जीवन में सब कुछ नहीं होती, हर एक के जीवन की अपनी उपयोगिता होती है और अपना एक अर्थ होता है। तुम मायूस मत हो तुम्हें भी एक दिन अपने महत्व का एहसास होगा। फिर एक दिन उस बगीचे में कर्नल साहब के परम मित्र आए जो एक आयुर्वेदाचार्य थे। जब वे दोनों बगीचे में घूम रहे थे तो अचानक से उन आयुर्वेदाचार्य की नजर इस छोटे से बदसूरत पौधे पर पड़ी और उनकी खुशी का ठिकाना नहीं रहा। वह बोले, 'अरे! यह तो बेहद कीमती अश्वगंधा का पौधा है! मैं तो इसे बड़े दिनों से ढूँढ रहा था'। फिर उन्होंने कर्नल साहब से अनुरोध किया कि, 'क्या आप मुझे यह पौधा दे सकते हैं?' इस पौधे से बनी हुई जड़ी बूटियाँ बेहद कीमती होती है और उससे मनुष्यों के कई सारे दर्द ठीक हो सकते हैं। उस दिन उस छोटे से पौधे को अपने महत्व का एहसास हुआ और वह खुशी से फूला नहीं समाया। बाकी सारे रंग- बिरंगे फूलों के चेहरे तो देखने जैसे थे!

વિષય-શાળા જીવનનો યાદગાર પ્રસંગ

આપણે બધાં આપણા જીવન દરમિયાન ઘણી બધી જગ્યાએ ફરવા જઈએ છીએ. આ બધી સફરમાં એક સફર એવી હોય છે જે યાદગાર બની જાય છે અને ક્યારેય ભુલાતી નથી. મારા જીવનની સફરનો આવો જ એક પ્રસંગ મારા શાળા જીવનનો છે જે યાદગાર રહી ગયો છે. હું મારા વર્ગ સાથે એક ચિત્રપટ(મૂવી) જોવા ગઈ હતી જેનું નામ હતું 'મેડલ'. અમારી સાથે ઘણાં બધાં શિક્ષકો પણ હતાં. અમે બધા શાળાએથી બસમાં બેસીને સેવન સીઝ મોલમાં ફિલ્મ જોવા ગયા હતા. જતી વખતે અમે બધાં વિદ્યાર્થીઓએ બસમાં ખૂબ મસ્તી કરી. ફિલ્મ લગભગ ત્રણ કલાકની હતી. ફિલ્મ જોતાં જોતાં અમે બધાંએ મકાઈની ઘાણી પણ ખાધી. અમે ખૂબ ખુશ અને ઉત્સાહી હતા. મોલમાં પ્રવેશ કર્યો તો લાગ્યું કે જાણે સ્વર્ગમાં આવી ગયા ! મોલ મોટો અને વિશાળ હતો. 'મેડલ' ફિલ્મ ખરેખર સારી અને જોશ આપે તેવી છે. બધા જ વિદ્યાર્થીઓએ આ ફિલ્મ જરૂર જોવી જોઈએ. ફિલ્મ પતી એટલે અમે શિક્ષકો સાથે ફોટા પડાવ્યા જેથી આ પ્રસંગ યાદગાર રહી શકે. પછી અમે બધા બસમાં બેસી પાછા શાળામાં આવી ગયા. લગભગ 12:30 વાગે અમે શાળાએ પહોંચ્યા. શાળામાં પહોંચ્યા પછી અમે કેન્ટીનમાં નાસ્તો કર્યો. આ પ્રસંગ મારા શાળા જીવનનો સૌથી યાદગાર પ્રસંગ બની ગયો અને હું આ પ્રસંગને ક્યારેય નહીં ભૂલું. મને બહુ મજા આવી.

દર અઠવાડિયે પીટી પીરીયડ આવે એટલે અમે ખુશ ખુશ થઈ જઈએ. દર મંગળવારે અમે નીચે ઉતરીને રમત ગમત શરૂ કરી દઈએ. મેદાનમાં પહોંચ્યા પછી સૌથી પહેલા વર્ગમાંથી બધાં વિદ્યાર્થીઓ આવી ગયા કે નહીં તેની ચકાસણી કરી સંખ્યા ગણવામાં આવે. પછી થોડોક વ્યાયામ કરી બધા અલગ અલગ પ્રકારની રમત રમવા જતા રહે. કોઈ ફૂટબોલ રમે, કોઈ ક્રિકેટ રમે તો કોઈ વોલીબોલ રમે. હું મારા મિત્રો સાથે બાસ્કેટબોલ રમું. અમને બધાને ખૂબ મજા આવે. આ રમતમાં અમુક લોકો ઘણા જ સારા અને અમુક લોકો થોડાક કાચા પણ હોય. પણ બધાં ભાગ તો લે જ. ટીમ પાડવાનો વારો આવે તો મોટાભાગના લોકો ગભરાઈ જાય. પણ પછી જેમ નિશ્ચય થયો હોય એ પ્રમાણે રમી લે. પીટી પિરિયડ પછી તરત જ અમારી રિસેસ પડે. એટલે બધા થોડું વધારે રમીને મોડેથી જમવા જાય. પણ ખરેખર પીટી પીરીયડમાં રમીને પછી બીજા પીટી પીરીયડની રાહ જોવામાં પણ એક અલગ જ મજા અને ઉત્સુકતા હોય છે.

વિષય- માતા

માતા તો એવું ઝાડ છે જે જીવનની બધી મુશ્કેલીઓમાં છાંયડો આપે છે. મા તો જીવનનો આધાર છે. આખા દિવસની બધી ઘટનાઓ પપ્પાને ખબર ના હોય પણ માને તો ખબર જ હોય. ઘેર જેવો પગ મૂકીએ અને મમ્મી પૂછે કે બેટા, કેવો ગયો દિવસ ? અને આપણે જેવા પ્રકારથી હા પાડીએ, ત્યાં જ માને બધું ખબર પડી જાય. માતા તો છોકરો બોલે એ પહેલા એના મનમાં ચાલતા એકે એક વિચારથી માહિતગાર થઈ જાય. એ એકે એક વિચાર જાણી લે. દરરોજ પૂછે કે બેટા, તારે શું ખાવું છે ? અને આપણે જે કહીએ એ હાજર થઈ જાય. માતા જોડે એક અલગ જ પ્રકારનો પ્રેમ હોય. કોઈને પણ માતા ૫૧% અને પપ્પા ૪૯% જ ગમે. માતાના આશીર્વાદ જોડે હોય ને તો કોઈની તાકાત નથી કે આપણી જોડે કાંઈ ખોટું કરી શકે. એટલે જ માના અદ્ભુત અને નિસ્વાર્થ પ્રેમનો અનુભવ કરવા ભગવાન શ્રીવિષ્ણુ ધરતી પર પધાર્યા હતા. આખો દિવસ થાકીને આવ્યા હોય અને માતાના ખોળામાં માથું મૂકીને સૂઈ જઈએ તો આખા દિવસનો થાક ઉતરી જાય. કશું પણ નવું લેવું હોય તો માની સલાહ જ માનવામાં આવે. માનો આવો પ્રેમ મળવો બહુ સૌભાગ્યની વાત છે. ખરેખર સાચું કહેવાય છે કે બધે ભગવાન ના પહોંચી શકે એટલે એમણે મા બનાવી છે. હે મા, તને લાખ લાખ વંદન છે !

વિષય- આપણે જીવનમાં કંઈક કરી શકીએ છીએ

જીવનમાં તો ઘણી મુશ્કેલીઓ આવશે. પણ જે લોકો એને સમજીને એને દૂર કરવાનો ઉપાય કરશે તો તે જીવનમાં કંઈક કરી બતાવશે. જેમકે આપણે એક ઉદાહરણ જોઈએ તો અમુક લોકો કહે છે કે મારાથી આ વસ્તુ નહીં થાય. પણ એ વસ્તુને સમજી જશે તો એ કામ તેને અઘરું નહીં લાગે. આપણે વિચારીએ કે મારે મોટો થઈને પાયલોટ બનવું છે તો એ વિચાર આગળ રાખી એને સમજી એની ઉપર વિચારી ભણવું જોઈએ. પણ જો આપણે કોઈના મોઢે સાંભળીએ કે એ બનવા માટે બહુ મહેનત હોય અને બહુ ભણવાનું હોય તો આપણે એ વિચાર મૂકીને કોઈ બીજી વસ્તુ બનવા ચાલિયે છીએ. પણ એ વસ્તુથી ગભ.રાવાનું નહીં. ભલે લોકો કહે કે તે કામ ખૂબ અઘરું છે પણ જો આપણને તે કરવાનું મન થાય તો આપણે તે કરવું જ જોઈએ અને આપણે બીજા માટે પણ ઉદાહરણ રૂપ બનવું જોઈએ. આપણે આપણા રોજના દિવસોમાં જોઈએ છીએ કે ઘણા બધા મોટા લોકો એમનું સપનું પૂરું કરે છે અને અન્ય લોકોને પ્રેરણા આપે છે. આપણે પોતાનામાં શ્રદ્ધા રાખવી જોઈએ અને માનવું જોઈએ કે હું આ દેશનો નાગરિક છું અને હું મારા દેશ માટે કંઈક કરીશ જ. હું ઈચ્છું છું કે આ વાંચીને પણ કોઈને પ્રેરણા મળી હશે. કહ્યું છે ને કે A person who completes his or her goal or dream is called a real person

International Yoga Day

Health is a blessing and it comes by including yoga in one's routine. On the occasion of the International Yoga Day, the students, staff and parents performed Yoga in the wonderful ambience of the school premises. This event inspired all to perform yogasan and pranayam to bring together physical and mental discipline and achieve a balanced way of life.

New Era Preschoolers, celebrated 75th Independence Day of our nation by singing patriotic songs like - "Saare jahan se achha, De di humein azaadi ,nanha munna rahi hoon. Children performed a vibrant spirited dance number "Desh mere desh" and recited a thought provoking poem. Children came dressed up as stalwart leaders and spoke inspiring lines uttered by leaders like Gandhiji, Subhash Chandra Bose, Rani Laxmibai, Bhagat Singhji, Pandit Nehruji. Children were dressed up as the national symbols of India and spoke about the national flag,national bird, national flower, and national animal. The programme concluded with mellifluous rendition of the National Song and Anthem.

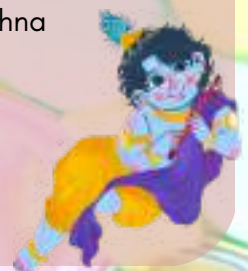

Independence Day

All children can be identified with the mischievous yet lovable child Krishna, playing pranks with the gopis, stealing butter & putting an end to evil doers. Preschoolers dressed in traditional clothes & jewellery brought Gokul alive as they danced to the tunes of "Choti choti Gaiyan" and "Come here, my dear Krishna Kanhaiya".

Teachers performed the characters of Kans, Devaki, Vasudev, Nandbaba, Yashoda, Soldiers, Sheshnaag and dramatised the story of birth of Lord Krishna. This was followed by "Matki phod" and raas garba and the preschool reverberated with the chants of " Hathi ghoda palki, jai Kanhaiya lal ki."

Janmashtami Celebration

PRESCHOOL UPDATES

To make this day a memorable one teachers planned a fun filled and joyful morning. The kids came dressed up in colorful clothes as teachers welcomed them with puppets!

The celebration began with the morning prayer followed by a talk and story on the importance of this day. The most thrilling experience was their favorite TONGA RIDE...their teachers made the day even more special by involving kids in one minute games, outdoor activities, stories with puppets, dance and music. Children enjoyed their favorite lunch and went home delighted and overwhelmed with lovely tattoos on their hands.

Children's day

New Era Preschool celebrated ONAM- a cultural festival of Kerala amidst much fanfare !! The celebration started off by making an attractive floral decoration called POOKALAM at the entrance. The main attraction of the programme was a song and a group dance by the little performers of the Nursery class dressed up in traditional attire lighting up the stage with beautiful smiles and alluring moves. As ONAM commemorates the homecoming of King Mahabali from the another world to Kerala- the teachers presented a skit to showcase the story behind this festival. Children were also told about the traditional thali- ONASADAYA comprising of many delicacies served on banana leaf.

Onam Celebration

Pet animals such as turtles; few breeds of dogs -like a Pug, Doberman, French Mastiff, German shepherd, Great Dane, Beagle; Love birds; a Cockatiel, and gold fish visited our school. The main objective of organizing Pet Day was to bring an awareness and create a sense of responsibility in the minds of our tiny tots on how we need to love and care for other living beings. Few enthusiastic parents having pets at home took some time out from their busy schedule to let our young learners have a hands-on experience and learn about caring for pets. They provided information about the food the pets ate and the kind of care that had to be taken at home. The learners were excited and thrilled to touch the animals and observe their movement and behaviour. They were curious to know more about the pets and clarified their doubts with the parents and teachers.

Ganpati Celebration

What is Navratri without dancing in gay abandon to the beats of dhol and traditional garba songs? Fluid movements, hands clapping in unison, arms coming together in beautiful sweeping gestures; nothing can match the grace of Garba. Girls decked in colorful embroidered choli and ghagra and boys wearing kurtas / kedias gracefully swaying to the music, is a sight to behold.

It is also a perfect time to bond with students, parents, and friends. We celebrated Navratri on the school ground with great fanfare.

New Era preschoolers celebrated Ganesh chaturthi with zeal and zest in a special assembly by chanting the Ganesh shloka "Vakratunda mahakaya Surya koti samaprabha..." The nursery kids dressed up as Lord Shiva, Goddess Parvati and Lord Ganesh presented a skit on how Ganeshji got his elephant face.

The young dancing stars rocked on a melody of Ganesh songs which added splendor to the entire assembly and it ended with the rousing chants of Ganpati Bappa morya !

The festivities commencing from the Ganpati 'Sthapana' to Visarjan was a thought provoking one that campaigned for banning the use of Plaster of Paris for the idol and immersion in lakes and ponds.

Navratri Celebration

Hurrah! It's a Vegetable day. Green, Yellow, Orange, Red, Purple, Pink, Brown; all vegetables were displayed by the invited vegetable vendor in the preschool. Children not only learnt about the names, colour, smell, texture, shape and importance of eating the vegetables, they could also differentiate between the similar looking leafy vegetables like Fenugreek, Spinach, Mint and Coriander. They were amazed to see different varieties of brinjals: long and dark purple; small round, and green; big round and pink. Children learnt the names of some uncommon vegetables like yam, taro, spiny gourd, ivy gourd. They also differentiated between broccoli and cauliflower; lettuce and cabbage; peeled garlic and cashew nut; taro and ginger; tulsi and mint. Children were shown the weighing balance along with the weights used by the vegetable vendor.

The take away for children from this experience was "Be smart, Eat Smart".

The perfect edibles Vegetables

PRESCHOOL UPDATES

It was a bagless day for New Era Preschool as our Nursery, Lkg and Ukg children went for a Field Trip ! They visited their local school community and observed various places/ shops; met and interacted with the shopkeepers; saw the work they do, tools they use and the products they sell, thus enhancing their vocabulary and enhancing understanding about their surroundings.

The field trip was an excellent learning experience as the kids saw a tailor stitching clothes, carpenter making furniture, barber cutting hair, electrician mending appliances, a flour mill and various shopkeepers selling grocery, medicine, books, stationery, watches & clocks, spectacles, garments, toys, gifts etc. They also visited a street side florist and a tea stall.

Finally they visited a bank & ATM centre where the manager triggered discussion about managing money

Kid's day out

Diwali, the 'festival of lights' was celebrated at New Era Preschool with lot of enthusiasm highlighting the message of 'Green Diwali, Clean Diwali'. Decorated with lights, vibrant hues, the open stage had an ambience of joy and happiness. The program started with the children speaking a few lines about the festival. The students presented a skit, along with their teachers showcasing the significance of the festival - how good always conquered the evil and also about why and how Diwali is celebrated. It was emphasized that Diwali must be celebrated in an eco-friendly manner by lighting clay diyas, decorating the home and creating pretty rangolis. An endearing recitation on Diwali was presented by UKG kids, along with a scintillating dance performance. The celebrations ended on a happy note dancing on 'Mere, tumhare, sab ke liye happy Diwali' song.

Diwali Celebration

Christmas brings cheer and love and we celebrated it with the same fervour, spreading the message of love and joy among our children.

The school was beautifully decorated and everybody was dressed in red and white.

It was a joyous day as we celebrated with Christmas themed activities such as Christmas carols, stories, games and crafts.

The significance of the festival was explained to the students through the Christmas story that was enacted by the teachers.

Santa Claus made a special appearance, singing dancing with our children and treating them with pastries.

Christmas Celebration

PRESCHOOL UPDATES

Sparkling Minds 2022 !!

New Era Preschool organized its yearly mega event SPARKLING MINDS 2022 with a variety of activities giving the young creative minds an opportunity to unleash their limitless potential and showcase their skills and personal aptitude.

The event for the nursery level was Floral Rangoli – the kids brightened the school premises with their creative colorful designs on the floor using a variety of flowers exhibiting their unbelievable artistic presentation at such a tender age.

The event for LKG group was salad decoration– an effort to make healthy eating equally tempting!

The participants amazing creativity was revealed through the aesthetic designs they formed using different salad vegetables. We emphasized that children make, eating salad a daily routine.

The event for the UKG group was amazing imaginary creature– a fancy dress with a twist giving wings to their imagination. The super kids created their own innovative creatures – Yes! they combined a hippo and a bird and created a flippo, unique ideas, amazing costumes, superb logics....it was indeed a treat for our eyes.

The event was a grand success as about 100 kids from 20 schools of Vadodara participated.

All were winners as they performed their best with great zeal and enthusiasm and went home smiling with their certificates, gifts and an unique experience.

The event started by offering prayers to rivers of India as they are considered sacred and treated as goddess. The mass displays presented by Nursery, LKG and UKG class in form of well-coordinated dance movements gave the message that the rivers nurtured and nourished us for thousands of years and now it is time we nurture and nourish them back to health. Students carried out a rally that urged all to preserve our lifeline, the majestic rivers of India and care for our natural resource judiciously. Children participated in races that gave the message that we need to get together, take actions to keep the rivers clean, plant more trees and do our job to save our rivers. It surely was a day of participation, fun and lots of learning!

Integrating Sports in Education

Imparting education through sports allows children to better engage with the learning process and bring out effective educational outcomes. With this thought, New Era Preschool organised their sports day on the theme let's preserve our lifelines: Rivers that aimed to sensitise the kids towards the rivers of India and save our depleting resource, through the medium of sports.

HAPPY PARENTS

Hi,

My daughter Manushi Raval has been studying in the New Era since 1st standard and I am so happy to see her growing into a strong independent, free-thinking child. I would like to take this opportunity to thank all the New Era Teachers who are really very supportive and really know how to motivate their students. Their manner of teaching is so wonderful and refreshing. They are great at building confidence and keeping lessons fun and engaging through a variety of activities that improve conversation, writing, and reading skills. Heartfelt gratitude to all the New Era Teachers for giving a prestigious platform to our child to learn and grow.

Regards

Siddhi Raval

We Nirav and Komal Shah, parents of Jainam Shah of 11 C are grateful to New Era School for manifold reasons. Firstly for catering excellent education by their dedicated, experienced and passionate teachers. Secondly for delicious and healthy food with joy of eating together. Thirdly for a well-planned and managed school trip with full care and safety. Finally for making school life a fun-filled experience by organizing Movie Shows, Sports Activities and Annual Function. We are very much thankful to the Management of the School who take utmost interest in the holistic development of students. Thank you very much.

I, Vibhuti Mehta, parent of Nakeisha Mehta of 12-C, am grateful to the school that has the best-talented teachers. My ward has got a very good platform for both academics and sports. Teachers have put in extra effort by taking extra sessions during the stay backs. The value system which she has imbibed from the teachers and school management is excellent. The school has given her immense opportunities to express herself in various competitions too. The educational trips have been the most memorable days of my child's life. She got to experience academics, sports, dance, music, art and many extra-curricular activities at one place. In a nutshell, she will carry with her good memories, good times, and lifelong lessons from the institution.

Respected Maam,
My son, Mokshit Doshi, is in class 10C. For every student, School is the First Step on the ladder of Education but New Era turned out to be an Elevator for my son. My child still cherishes those moments of various achievements and medals won in the school, all with the help of dedicated and hardworking teachers.

I am very thankful to all the Teachers, Principal Ma'am, and the Director Ma'am for their great support and contribution towards the development of my child.

With warm regards

Nishant Doshi

HAPPY PARENTS

We have had a consistently positive experience at NESSS for five years now. Teachers are amazing and hardworking. They cater to the individual needs of every child. The initiatives taken by the school during the pandemic times are commendable. NESSS nurtures the children with all round activities like clubs, sports, science exhibitions etc. that go parallel with the curriculum.

Parents of Priyangshu Mitra 5 C

According to me, New Era Senior Secondary School is the best school for my child as here there are well-qualified and experienced teachers who motivate the children to do their best. The school promotes a plethora of co-curricular activities like sports, arts, dance, music: vocal and keyboard; that help the students to develop the skills as per their individual talents. Each student here is given equal opportunities. Even during the pandemic times, the school continued regular online classes and exams. The food given here is always healthy and tasty at the same time. The staff here is very hospitable. Falguni Jignesh Patel (Parent of Vihan Patel Class 5 C)

We are Raksha and Tushar Bavishi, parents of Naomi Bavishi of class 12C.

It's said that a school is the second home for a child. The educational, emotional and moral hand holding that my daughter has received from her school mentors has been insightful and enlightening that has honed her persona and character.

We are ever grateful to the New Era Team and wish them the Best for the times to come.

I, Amish Dipakkumar Desai, parent of Maahi Amish Desai of Std 11-C (Commerce), am immensely grateful to the School Management for a well organised and fantastic school trip. I appreciate the efforts taken towards adherence of time and the instruction of not carrying Mobiles on the trips so that the children could enjoy in the lap of Nature. The regular trip posts on WhatsApp eased the parents as the teachers were the care takers.

Furthermore, I would like to mention the thrilling race of the ex-students VS the present in the sporting event, which was a unique concept. It was also observed that each student in each class enthusiastically participated in the sporting events. This showcases the equal opportunities provided to all. A must-mention is the very unique speech coverage by anchors who gave due importance to the fourth staff for their ground services after Yoga Event.- This demonstrates the values that the school helps the child imbibe for life.

Kudos to the School Management and the Supporting Teachers and Staff!
