

NEW ERA SENIOR SECONDARY SCHOOL
CLASS I
MUSIC AND DANCE YEARLY
LESSON PLAN-2026-27

Learning Objectives:

- To make the learning easy interesting and with fun.
- To develop interest in the subject (music and dance)
- To provide stress free environment for learning.
- To develop patriotism and respect for our culture and country.
- Inculcate values among students.
- It enables students to develop their creativity.
- Enable students to be focused and attentive.

Material Used: Notes, laptops, audios/videos, internets, different props

No of periods allotted: one period a week (monthly 4 periods)

Expected previous knowledge:

Students interest in listening songs,
watching dances, knowledge about singers/dancers

Pedagogy:

- Students/teacher question answer sessions
- verbal, repetitions of the songs/ listening to the audio
Repetition of dance steps after teacher.

Key points:

- Music is a universal language of mankind and as a definition it includes SINGING, DANCING AND PLAYING AN INSTRUMENT.
- Music and dance are a part and parcel of life
- It provides learning with fun in a stress-free environment.
- In music dance periods students will be able to learn not only singing and dancing but also able to develop their self-confidence and creativity.
- This is a subject enjoyed by all age group.
- It helps students to know and experience of different culture.
- It provides a career as singer, dancer, lyricists, instrumentalist, teacher, choreographer, and composer
- **Our yearly lesson plan is designed in such a way that it teaches songs/dances on prayers, seasons, festivals, patriotism, value based and moral based numbers.**
- **Regular practice of school prayers/shlokas/ national songs/ school song is a part of each period in all classes**
